January 2018

29th: Teachers Commence

30th: Students commence

31st: Foundation students do not
attend

February :

Foundation students do not
attend on Wednesdays

March

29th: Last Day Term 1

Dear Parents/Caregivers,

Orientation Day - Yesterday was state-wide Orientation Day. Our Grade 6 students spent the day at their selected secondary schools. At Hesk-
ket Primary School we again welcomed our Foundation 2018 students and
their families to our school. All our 2018 students enjoyed a sausage siz-
zle. I would like to acknowledge the work of Jodie Davies for helping us
out with the sausage sizzle.

End of Year Class Parties: This year the whole school will be sharing a
special lunch on Thursday 21st December. Lunch will consist of party
pies, chips, fruit salad and lemonade. We will have this special lunch prior
to the Community Celebration which will commence at 2.00pm. All mem-
bers of our school community are most welcome to attend this event.
During the community celebration we will celebrate the graduation our
of Grade 6 students. Students are welcome to wear casual clothes on
this day .

Last School Day for Students—a reminder that the last day for students
is Thursday 21st December. Friday 22nd December is a School Council
approved Pupil Free Day. Teachers will be in attendance, preparing the
school for next year.

Mulch to be moved: We still require assistance spreading mulch on gar-
den beds. It would be great to get this task completed prior to the school
holidays. If anyone is able to provide a couple hours assistance it would
be greatly appreciated.

Family Accounts: To help with your fees for 2018 parents are welcome to
come to the office anytime from now on, between **8:30am – 9.30am** to
put money on their family accounts to help with 2018 payments. Money
you put on your account this year will be carried forward to next year.

Kind Regards

Glenda Miller

Acting Principal

Hesket students are respectful. Hesket students are responsible. Hesket students achieve their best.

Students of the Week

Junior: All of Foundation and Grade 1 students – I would like to congratulate everyone on the terrific semester of learning they have done. I am very proud of all of you and have loved being your teacher!

Middle: The student of the week for the middles goes to **Jayden!** Jayden has received the student of the week this week for his work with carrying and borrowing in addition and subtraction. Great job Jayden!

Senior: The student of the week for the seniors goes to **Ella!** Ella has received the student of the week for her work and dedication with her business project. Great job Ella!

This week in the grade 2-6 room

It's hard to believe that 2017 is almost over. Students should be proud of themselves with stepping up a grade on Tuesday and the grade 6's transitioning at their future secondary schools. I'm sure they all had an exciting day. As well this week, students have been getting into the festive spirit by completing some Christmas arts and craft activities and writing their Christmas list to send to Santa all the way in the North Pole.

You will also notice there has been a few posters displayed around the school regarding a \$10 10 hour project. This project is being run by the 3-6 students as part of their business integrated studies topic. Each student is given a \$10 budget, they then have to organise a product or service which they sell to the school. All proceeds are then returned back to the school. Many of the students have joined forces, therefore expanding their budget. There will be 3 goods/services being sold. They include:

Rejuvenate your skin (Ella and Elektra's skincare product)

Pizza Bombs (Developed and cooked by Zach)

A car wash service (Provided by Ji, Robert and Max)

This event will held on Wednesday 20th December at 9:30 am. If you wish to support their business ventures please pay them a visit.

Also, as many of you are aware the grade 2-6 classroom is having a class KK. A letter was sent home last week discussing the event and which student has who. The limit is \$5 or it can be a handmade gift. It needs to be wrapped with the name of the student who it is for and written 'from KK.' These gifts need to be finalised and brought in by Monday 18th December.

I hope you all have a wonderful rest of the week!

Miss Lamprell

Junior Unit News

This week has been busy and fun!

We are continuing to consolidate all we have learnt this semester including how we work together to get a job done. This includes during our outside play. This is especially important in the last few weeks of the year when we start to get a little tired and the hot weather tests us a little! Everyone is doing their very best and should be congratulated for their hard work.

On Tuesday we had our 'big' and final transition visit. The Foundation students became Grade 1's for the morning and were very supportive of the new Foundation students. They enjoyed having a play outside together as well as sharing the BBQ lunch with new parents.
